Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's attorney requested interview to discuss the prior arts (Rohrbaugh et al, US 20020091738A1) differences to the claims limitation (i.e. displaying a first version of the original document, and including an enhancement in appearance as display on the thumbnail, receiving a request to display the original document). After carefully reviewed the provisional 60/211,019, the examiner agrees with applicant's attorney, thus the examiner withdrawn the final rejection mailed 05-02-2007. In addition, the applicant's attorneys also discuss the double patent and the Philip's glass web site presented in the final rejection mailed 05-02-2007. The argument is noted and will be considered.
